

WINTER NEWSLETTER FOR PARENTS - Jan 2011

Children's Xmas party!!

This winter, all of the teams, residents and children enjoyed themselves immensely at our 2010 Christmas party. We had 47 children in attendance. The day was full of fun, food, music and laughter! Thanks to all those who supported us!

A new Cultural project!!

We understand the diversity and multiculturalism of the area we all live in and we want to show all the residents different aspects of different cultures which make up our society. Sessions will include interactive presentations, fun facts and a great learning outcome for all! ☺

Sunbeams boards update! ☺

Sunbeams has been looking colourful thanks to the students Rashana and Sam who have been blitzing the culture board as well as the awards board. February's theme for the culture board was Valentines Day, so keep an eye out for March's theme, it will be worth the wait!

New students joining our team ☺

The team is growing and we are proud to have new students joining our the award winning team! Meet Rashana, Samera, Emmie, Harjit and our newest recruit Jackie. Students bring with them new and innovative ideas, so all of their work is much appreciated.

New recruits ☺

A warm welcome to Helen and Sobia, who are officially joined our team in Jan 2011. Sobia will be taking the post of Activities Co-ordinator, whilst Helen will be our new Family Support Worker. Both will be working closely with children and families to encourage interaction through a number of different activities. The work they both do will be invaluable for the families as it will help support communication between children and mothers.

Happy Reading! The Children's Services Team
